Dear Preschool Director:

We are excited to offer preschool tuition assistance again this year through Early Childhood Iowa Lakes Region (ECI LR) and administered through the ECI Lakes Region Director. These scholarships offer a great opportunity for more children to have an affordable preschool experience! A child's eligibility is based on age and income. A child must be age 3, 4, or 5 **by September 15, 2018**, and the family's gross income must be 200% or less of the federal poverty level. (See chart below.) ECI Boards must not supplant state or federal funds. Therefore, children who can access state-administered, state-funded preschool programs (such as Shared Visions, Statewide Voluntary Preschool programs for 4 yr. olds) or Head Start, should utilize those options first. Some transportation assistance may also be available contingent on need and ECI funding.

The Early Childhood Iowa State Board strongly encourages the support of preschools with evidence-based programming, quality standards and proven outcomes. As in the past, in order for children in your program to be eligible for ECI Lakes Region preschool scholarships, your preschool must qualify in one of the Quality Standard areas listed on the enclosed Preschool Tuition Assistance Agreement **OR** your preschool must agree to meet these qualifications by the end of the school year. Please contact the ECI Lakes Region office if you need assistance. We would love to add your preschool to our scholarship list!

Additional requirements for your preschool's participation include:

- 1) Must be licensed by the Department of Human Services or the Department of Education.
- 2) Use research or evidence based preschool curriculum.
- 3) Hours billed must be for preschool only. This scholarship does not pay for child care or wrap-around services.
- 4) Must provide a rate schedule for services to ECI Lakes Region. The ECI LR scholarship will pay a maximum of \$125 (contingent on funds available from the state on July, 2018) per month per child and cannot be paid at a rate that is higher than what is currently being charged for the other attendees of the preschool.

The ECI Director is mandated to monitor funded programs. Therefore, if you choose to participate, we will monitor your billing and visit a sampling of centers sometime during the year.

It is important that you complete the enclosed Preschool Tuition Assistance Agreement stating if you are interested or not and return it to Paulette Karolczak, ECI Lakes Region Director, at the address below. Please return it ASAP prior to **July 1, 2018**. Student applications may be added through March 15, 2019, however, it is first come first serve and dependent on available funds.

We appreciate your cooperation and look forward to working with you to make the best experience possible for families with children participating in preschool. Applications will be processed after July 1, 2018 pending state funding. ECI LR will notify families and preschools of the outcome of the applications and send further information. **Please copy Family packet & distribute. Forms may be found on our website also. Thank you!**
